

BYO iPad Program App List | 2020

Pimpama State School

Important Information

The following outlines the apps required in each year level. Prices listed are subject to change. The prices are correct at the time of the creation of this document. Classroom/specialist teachers may send home (via email) a list of other FREE apps that are required throughout the year. Parents are welcome to use the school Wi-Fi to download the apps required.

A stylus or apple pen compatible with your child's device is not compulsory; however, it will be very useful should you wish to provide one.

All state school staff and students can download multiple free copies of the Microsoft Office 2016 suite to their personal home and mobile computer equipment. Instructions on how to install the Microsoft Office 2016 suite onto your child's BYO Laptop can be found in the BYO Laptop Program section of the school website: <http://www.pimpamass.eq.edu.au>.
