

Dear Parents and Carers,

Welcome to the 2023 school year. This year we have 4 Year 6 classes and a 5/6 composite class. Our teaching team is Mr Jacob Morgan, Miss Kim Munro, Mrs Wendy Fletcher, Miss Kim Curtis and Mr Wade Marks.

Mr Morgan is back as a classroom teacher for 2023 after spending the last 18 months in Admin working hard as Head of Conduct and Events Coordinator across the whole school. Miss Munro is in her fourth year at Pimpama, and has moved from the junior to senior school. Mrs Fletcher joins us from Year 5. Miss Curtis and Mr Marks have been teachers in the senior school for several years now.

We are all excited about the year ahead and are committed to helping all students reach their potential. Being a senior student holds much responsibility at Pimpama State School. In light of this, this year, we look forward to encouraging your child towards being the absolute best that they can be, both academically and socially. Students will be required to set an example for all members of the school community, in regards to uniform, behaviour, work ethic, attendance and punctuality. We have reviewed the following expectations with the Year 6 students:

Students are expected to:

- Treat others with respect, both verbally and physically.
- Engage in play with a 'no touch' policy during break times.
- Use respectful language and tone when speaking to peers and adults.
- Use manners when speaking to peers and adults.
- Raise their hand before speaking during class.
- Listen and pay attention to the speaker during class.
- Walk in classrooms and on walkways.
- Move through the school in an orderly and quiet manner during class times.
- Wear correct school uniform at all times. **PE uniform is not to be worn on parade.**
- Complete expected assignments and homework on time.

School Website

Please take the time to check out the school website. It is up-to-date with information of importance to you and your family. There are also photos and other things that you may find interesting.

Homework:

Homework will begin in Week 2. Please write a note or email if for any reason your child cannot complete homework. Your classroom teacher will provide the students with further information. Homework due days will be in accordance with the classroom teacher.

Subject Areas:

This term in **English** we will be focussing on Narrative structure, characterisation and humorous plots in the Short Story Genre. Students will be writing their own humorous narrative as an assessment. You can assist your child in English by encouraging them to read either books, magazines, newspapers, or by using the on-line Reading Eggs program. **READING is the key!**

In **Mathematics**. Students will be consolidating knowledge in Number by investigating prime and composite numbers. They will be introduced to factor trees and **it is extremely important students know or learn their tables**. In Fractions, students will be comparing and ordering both number and decimal fractions. There will be a focus on Timetabling and a relevant assessment. Remember **Mathletics on line** is a valuable learning tool.

In **Science**, students will be exploring “Electrical Circuitry” which will be linked to the learning in Design Technology.

In **History**, students will study the foundation of Australia as a nation and its government.

In **Art**, students will be looking at a variety of artists and creating Pop Art.

In **Health**, we will be using the Pimpama Social Skills program called “The 6 Kinds of Best” which addresses the Pimpama Values. Students will also be studying Cyber Safety, using the Six Thinking Hats to guide their learning.

There will be assignments and related assessments for all of the subject areas and students will be given the due dates and ample time to complete tasks.

Laptops:

Laptops will be required at school on Monday Week 2. The permission forms have been emailed electronically. Students without laptops will be provided equal opportunity for learning.
